WE WILL ALWAYS HAVE PLEASANT MEMORIES OF THE TIMES WHEN

WE CRAMMED FOR EXAMS AND THINGS DIDN'T TURN OUT AS BADLY

Sunny days provided time for trig students to survey *or* relax

She heard that "A stitch in time saves nine"

That business of physics became

AS WE HAD ANTICIPATED . . . WE WERE ALMOST NEVER BORED

These were our classes. There, we learned the sciences, arts, and skills, and more important still, how to get along with one another. In these classes we made friendships with "that guy in back who always made an A" and "that girl I used to help" that will last a long time.

Art classes provided an outlet
for that "creative genius"

pretty absorbing occasionally

America's future architects received a few pointers

BECAUSE CLASSES WERE VARIED AND ENLIGHTENING. OUR TEACHERS HELPED

The nice thing about the library staff was that they kept those smiles all year long

We caught the "rods" talking things over

This was almost the best attention we have seen in chorus

See how faithfully he observed B.K.T.A. Week

MAKE THEM SO . . . WE WILL REMEMBER THEM BEST IN THIS INFORMAL WAY

Mamie sorted the day's "fan mail"

Those formal faculty and administration pictures are not the ones we will remember best. We will remember these informal every-day shots; that's how the faculty and administration looked to us. We remember times when we became a little peeved, but we know that there were just as many times when teachers became disgusted with us. We are grateful for our associations with them, and for the knowledge we have gained from them.

Yes, they finally grasped those quadratic equations

Mr. Baker looked a little haggard after the rush

WE REMEMBER HOW THE ADMINISTRATION GUIDED US SAFELY

EUGENE BARNARD, Treas. WARREN SCHNAITER, Sec. MERRILL WILSON, Pres.

BOARD OF EDUCATION

CITY SCHOOL ADMINISTRATION

GLENN CURTIS

Superintendent of Schools

Mr. Glenn Curtis, one of the new figures at Martinsville High School this year, is actually not new to Martinsville or to the school. He is serving as acting superintendent during the absence of Mr. Floyd Hines, who is serving as Senior Specialist in Elementary Education under the office of Military Government in Bremen, Germany. Mr. Curtis came here first in 1919. He served as coach, and then did double duty as coach and principal. He left in 1938 to coach college and professional basketball teams. His return here is welcomed by all.

THROUGH OUR CAREERS WITHOUT ONCE HAVING TO CLAMP DOWN TOO HARD

Dean of Boys

HIGH SCHOOL ADMINISTRATION

ROYCE E. KURTZ
Principal

Mr. Royce Kurtz, principal of Martinsville High School, came here in the fall of 1941 from Liberty Center, Indiana. He taught Junior High History for two years, and then he served as Junior High Principal and history teacher. In 1946 he became Principal of the High School. Mr. Kurtz received his Master's Degree at Claremont Graduate School in Claremont, California. He is well liked at Martinsville High School and we hope that he will be here for many years.

HOW WELL WE ALL REMEMBER

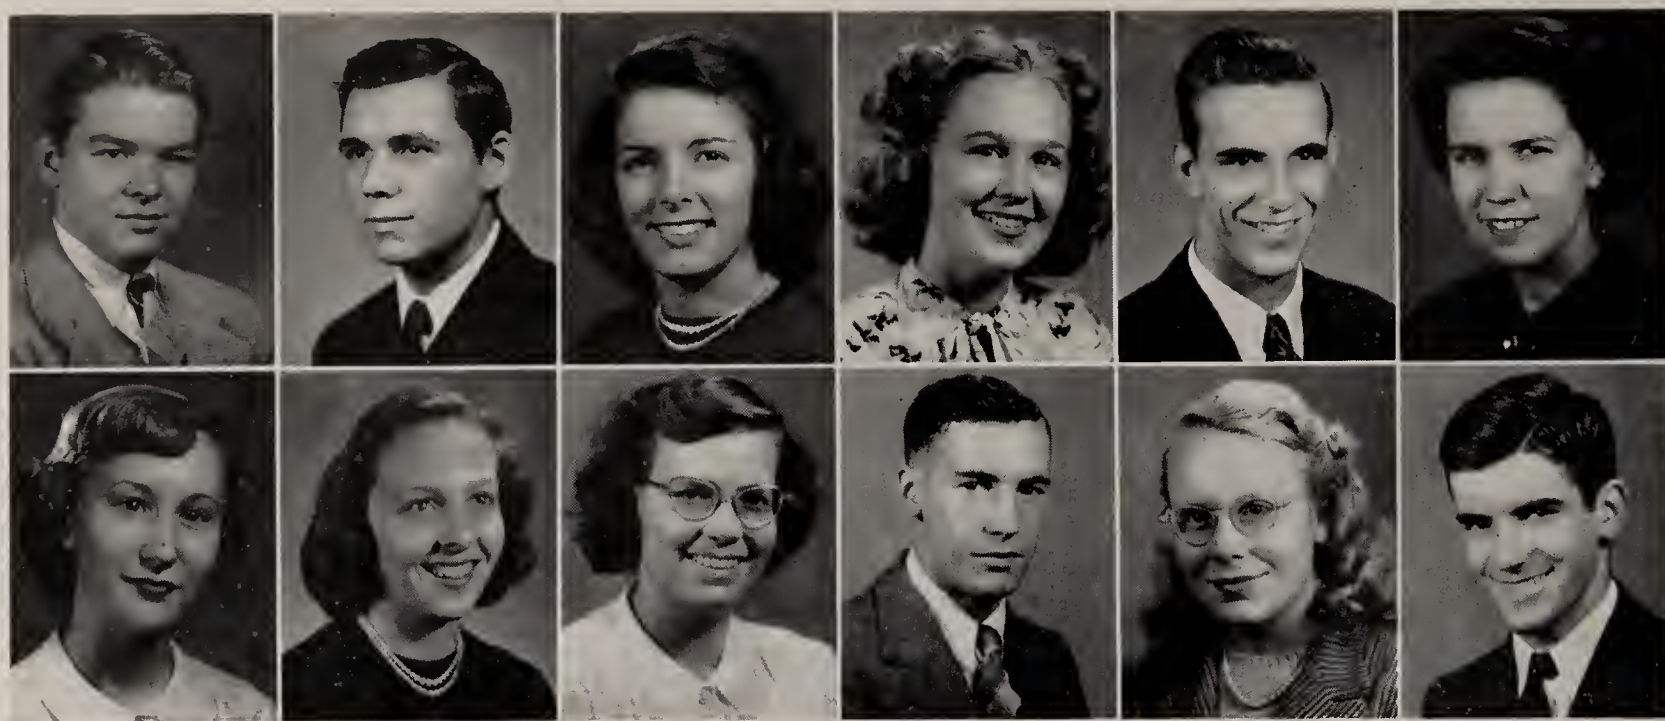

OUR SENIOR YEAR...THE FINALITY OF THE WHOLE THING . . . TOO WE REMEMBER

SENIORS . . . We have finally achieved the ultimate goal of our high school careers. We are able to look back on our four years of school with pride . . . As freshmen we weren't too active, although we did give a one-act comedy . . . In our sophomore year all of us who were Latin students took part in the Classical Review. This was the year that we first could join clubs, and we did . . . Last year as juniors we presented a three-act comedy, "A Date With Judy." We worked hard on it, had fun doing it, and we certainly were grateful for the praise we received . . . The Junior-Senior Prom was, in our estimation, "luscious." Our theme was a "Southern Plantation," and we even had a mansion at one end of the floor . . . This year as seniors we had our biggest year. We planned for our yearbook, announcements, caps and gowns, Class Day, Baccalaureate, and finally — Graduation itself. We won't say that we are sorry to be seniors, but sometimes we feel a tinge of regret that this is our last year at MHS.

HOW LONG IT TOOK FOR US TO REALIZE THAT

HOW WELL WE ALL REMEMBER

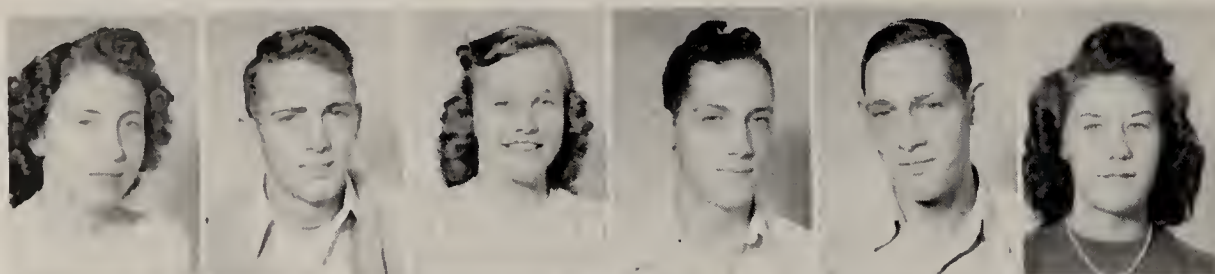

THE FUN WE HAD WITH THE KIDS IN THE CLASSES BELOW US

UNDERCLASSMEN . . . They form the majority at M. H. S. They are the gang that will still be here next September, striving to beat past records and to achieve new goals. We'll be coming back next year to cheer their teams, and to see all the fellows and girls we liked so well in the classes below us. This year the underclassmen served their school well by being represented in all the clubs, activities, and athletics. The juniors gave a riotous three-act comedy, "Good Night, Ladies" before the senior high, junior high, and the public. They also entertained the seniors royally at the Junior-Senior Prom.

HOW WELL WE ALL REMEMBER

THE FIGHTING SPIRIT OF OUR TEAMS, WHETHER WE WON OR LOST

SPORTS . . a big factor in our school life. We remember how we looked forward to Friday night games, and how we rushed around on Tuesday afternoons, sometimes, to get everything done in time to go to the game . . . We were so happy when we won our first football game with Bedford and our first basketball game with Mooresville . . . We didn't always win, but the boys on our teams knew that it wasn't of first importance whether they won or lost, but "how they played the game" . . . One evening last spring tooting horns announced to us the fact that our track team had just won the South Central Conference track meet. This fall our golf team also won the conference title.

 Row 2: Coach Horton, Bob Payne, Ralph James, David Cravens, Fred Miller, Richard Hinds, Bob Johnson, David Cook, Manager

"Tiny" Horton played high school basketball at Monrovia and college ball at Indiana State Teachers College and Butler. His first coaching position was at Decatur in 1930. In 1936 he came to Martinsville to assist Glenn Curtis. From 1937 until he returned here two years ago he was at Mattoon, Illinois, where his teams compiled outstanding records.

David Cook and Bill Kent were the managers this year. They have done a good job organizing things on an efficient basis.

Bobby Payne—Sophomore, forward and center. A two handed shot and an excellent possibility for the future.

Richard Hinds—Senior, forward and center. Fanciest passer Martinsville has seen in years and a fighting rebounder.

Harold Dixon—Senior, guard. Three year varsity man. High scoring ability with either hand. A defensive man to be reckoned with.

Tom Schnaiter—Senior, guard. Two year varsity man. An excellent long shot artist and a team man.

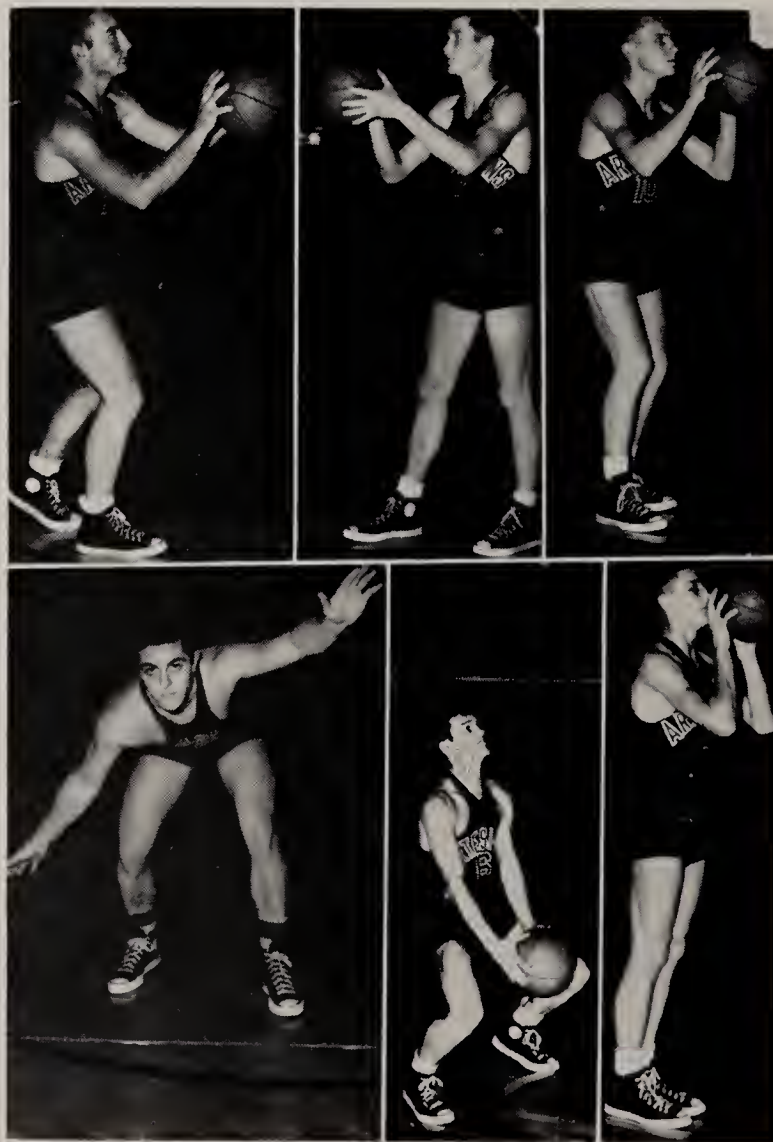

Bill Reynolds—Senior, guard. Fancy ball handler and driver; calm under fire.

Ralph James—Sophomore, forward. A deceptive shot under the bucket. More good insurance for the future.

ALTHOUGH WE DIDN'T ALWAYS WIN WE ALWAYS HAD FROST BITTEN TOES

This year's MHS football team started out with decisive wins over Bedford and Mitchell by scores of 19-6 and 19-0, respectively. However, Charlton eked out a 13-7 win over Martinsville, and Greensburg, Huntingburg, and University all followed suit with more or less vigorous shellackings of the local team.

Bill Reynolds at left half back, and Tom Schnaiter at fullback were the workhorses of a backfield that featured Harold Dixon at quarterback, Bob Shelburne, Amos Hewitt, and Bailey Davis.

The line was bolstered by the presence of Fred Miller, center, Bob Scott, guard,

and Hoyt Rhorer, tackle, among others.

The Artesians' main lack seems to have been the defense, especially pass defense. This deficiency showed up in the Huntingburg and University games, in which passes spelled the difference between victory and defeat.

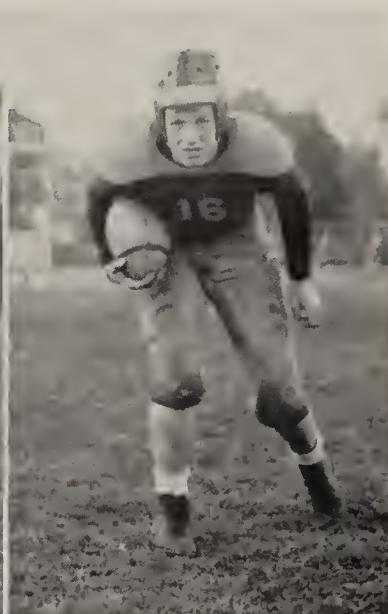

Though hampered by lack of experienced material, Burchard Horton and Vincent Bisesi molded a fine team that pleased the students. The record turnout of boys for this year's team indicates a wealth of good material that will provide high caliber teams for Martinsville High School in future football seasons.

Row 1: Cain, Schnaiter, Curtis, Long, Callis, Shelburne

Row 2: Coach Stapley, Baugh, Clark, Hewitt, Cravens, Dixon, Reynolds, Walters

The Artesian baseball team finished its 1948 year showing only one victory. Several of the losses dealt the Artesians by opponents could have been wins by a few breaks. The hitting and fielding left a little to be desired, especially the defensive play.

Vincent Bisesi will take over this year's team as coach. Interest ran high last year, and if a large number of boys go out for baseball again this year, it may stimulate the ball club, and fill in vitally needed replacements.

AND THE SUNNY AFTERNOONS WHEN WE WATCHED THE BASEBALL TEAM

The Martinsville High School track team, under the fine coaching of Keith Stapley, enjoyed a successful season. "Stape's" ability to make boys give their best paid off with numerous victories, climaxed by winning the South Central Conference Meet. This was the first time a Martinsville team has ever won this important meet.

The team had four consistent first place getters in Eph Goss, Johnie Anderson, Bob Shelburne, and Bob Callis. The team also had other boys who always came through with the other points which were needed. The highlights of the season were: The con-

ference win with 41 points; the Muncie Relays, in which the team finished a close second in the Class B events; and in the Linton Relays a fifth place in team standings. The first meet was with Seymour, which we won. Columbus edged us in a triangular meet with Greencastle. The team beat Brazil and Greencastle in the next meet. In the sectional we finished fifth behind Bloomington, Columbus, University, and Washington. In the State meet Eph Goss captured fifth place in the high jump. The team has some good prospects and should do well in the 1949 season.

Row 1: Bob Shelburne, George Granholt
Row 2: Bill Reynolds, Raymond Foster, Harold Dixon, Amos Hewitt
Row 3: Tom Schnaiter, Bob Johnson, Bob Walters, Don Kennedy, Jim Bailey

The Martinsville High School golf team, which was coached in the spring of 1948 by Burchard Horton, and in the fall by Keith Stapley, had a very impressive record. They won over University of Bloomington 11-4 last spring and this fall won over Columbus 9-3 and Seymour 11-4. The next meet was the conference. M.H.S. won this with a total of 331 strokes. The team also had the first low scores—Bob Callis with a 69 and John Bob Hacker with an 81. Bedford

supplied the only defeat 9-3, but the team finished with victories over Franklin 7-5 and over Seymour 9½-5½. The team's members are Timmy McGuire, John Bergman, John Bob Hacker, Bob Callis, Tom Kennedy, Harry Baugh, and Jack Perry.

Enthusiasm in golf has increased greatly since its start again in 1945. There are many new members who are progressing rapidly, and golf should continue to be one of M.H.S.'s best sports.

REMEMBER, 1949 WAS THE FIRST YEAR M-MEN WERE ORGANIZED

The Lettermen's Club is a new addition to the halls of Martinsville High School. Originated and sponsored by Coach Burchard "Tiny" Horton, it has rapidly taken its place in the school's extra-curricular activities. This new organization has as its officers: Fred Miller, president; Harold (Whif) Dixon, vice-president; David Cravens, secretary-treasurer.

Mr. Horton felt the need of a club for boys whose common interest is sports. Eligibility for membership may be obtained by earning a letter in any one of the school's major sports: Football, Basketball, Golf, Track, Baseball and Tennis.

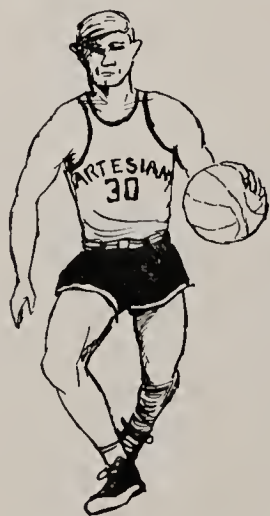

The club has as its purpose to "further athletics throughout the school." This means that the club wishes to improve the school's sportsmanship, school spirit, and interest in varsity sports. Plans have been made for organizing tennis and ping-pong teams.

Lettermen have sold concessions at home ball games to finance

their activities. They also assisted in ushering at basketball games. All the fellows contributed food articles to make up baskets for the needy families during the Holidays. The club also gave a banquet at the first of the year, financed by their sales project. Lettermen were also entertained by the Girls' Athletic Association at a party in the old gym. The girls challenged the boys to a volley-ball game. The boys, by the way, won the tilt. In return the boys gave a banquet for the girls.

The Lettermen's Club emblem is an "M" with the word Lettermen under it. Pins of this design have been ordered for the club. There are two colors of pins, one red and blue and the other black on gold.

There are 36 active members in the club. Because of the increase in activities and more interest aroused in different sports these members feel that this club has been and will continue to be a very worthwhile addition to Martinsville High School.

OUR RESERVE TEAMS HAD A GOOD REPUTATION TO LIVE UP TO

The junior high boys have several good prospects for the future. They lost only one scheduled game this year out of ten.

The freshmen were a hard fighting, courageous outfit, but lack of height took its toll. They succeeded in winning two out

of the six scheduled games this year.

The reserves will, if they keep working and keep their goal in mind, achieve that goal by their senior year. This team is composed largely of sophomores and when they were beaten, it was by small margins.

HOW WELL WE ALL REMEMBER

THE CLUBS, COUNCILS, AND OTHER ACTIVITIES AT MHS

ACTIVITIES . . . Clubs, councils, dances, parties, plays, and musical groups—all of these were our activities. They were the things that put the zing in school life . . . the personality rounders. There was a place for boys and girls of every personality type and individual taste. It was through these extra-curricular doings that we learned to know both our fellow students and our teachers better. We knew the satisfaction of completing projects as a co-operative group . . . the thrill of at last attaining some goal our pet organization had hoped for all year. Our activities gave us an outlet for our own particular talent, and through them we could exercise our desires to create or to cultivate something worthwhile and lasting . . . They gave us an opportunity to serve our school in more than just the academic sense. We are sure that in years to come the pleasure we received from our activities will stand out in bold face type in our minds . . . too, we know that we shall be grateful for the experience we gained by working together.

THE ORCHESTRA FURNISHED US WITH OUR OWN HOURS OF CHARM

Violins: Susie Pitkin, Joan Fleener, Martha Bastin, Mary Ellen Hammans, Sidney Williams, Sue Branch, Peggy Hacker, Karla Alexander, Laura Ann Record, Betsy Schnaiter, Ronnie Clark. Bassoon: Mary Mosier. Saxophone: Jack Moore. Oboe: Roseanne Walters. Flutes: Don Traub, Delores Maxwell, Maureen Sweet. Pianists: Donna Jo Neal, Lois Schnaiter. Drums: Johnny Dixon, George Granholt. Clarinets: Don Fishel, Eva Elliott, Carolyn Godsey, Marvin Williams, Don See.

The high school orchestra offers to students an opportunity to become acquainted with, and to cultivate a lasting appreciation for, worthy music. The orchestra music includes classical and semi-classical selections, including quite a bit of popular music.

This year the string orchestra with twenty-four members met three days with Mrs. Katherine St. John directing, and full orchestra containing fifty members directed by Aden K. Long met two days a week.

Public appearances of the orchestra included junior and senior class plays, spring concert, and concerts for junior and senior high assemblies. The orchestra finished the year's work by playing the music for commencement. Soloists for the concert season were Alice Branch, cellist; Suzanne Pitkin, violinist; and Wanda Ratts, cornet. Each was featured on the spring concert in April.

On April 9 and 10 the orchestra was host to an orchestra festival representing six schools, Connersville, Martinsville, Shelbyville, Southport, University School of

Bloomington, and Warren Central of Indianapolis. Each school sent about 16 of their best personnel for a massed orchestra of 100 pieces. Rehearsals and a party were held on Saturday and a concert was given on Sunday afternoon. Conductors of the orchestra were the directors from the participating schools. This festival, inaugurated by the Martinsville orchestra, will probably be continued each year by each of the participating schools in rotation.

The spring of 1948 found the orchestra winning a second place in the state class BB orchestra contest held at Greencastle. Members of the 1948 orchestra winning first divisions at the state contest were Imogene Maxwell, Don Traub, Alice Branch, Janis Duckworth, Bill Record, Eva Elliott, Carol Coleman, Pat McDaniel, and Robert Walters.

Officers of the orchestra are: Suzanne Pitkin, president; Joan Fleener, vice-president; Mary Ellen Hammans, secretary; Louise Schnaiter, treasurer; and Donna Jo Neal, librarian.

WHILE MADRIGAL'S LIVELINESS PEPPED US UP

Violas: Rosalie Buchanan, Shirley Walters, Shirley Goss. Cellos: Alice Branch, Louise Schnaiter, Julia Butler, Martha Meadows, Myrna Ann Reynolds. Saxophones: Pat McDaniel, Amos Hewitt, Marilyn McDaniel, Bob Walters, Carol Gray. Cornets: Wanda Ratts, Jack Montgomery, John Adams. French Horns: David Percy, Patty Carmichael, Nita Meadows. Trombone: Jack St. John. Bass Horn: Bill Record. Bass Violins: Lucy Collier, Nancy Dickens, Janis Duckworth.

The Madrigal Group, a mixed vocal ensemble under the direction of Aden K. Long, is composed of eight members. These members are selected from the Mixed Chorus through tryouts. The members for this year are Nancy Hyatt, Nancy Dickens, soprano; Eva Elliott, Clara Van Sickle (replaced by Louise Schnaiter), alto; Zane Knoy, Donald Traub, tenor; Donald Green and Jack St. John, bass.

The repertoire of the Madrigal Group consists of Negro spirituals, madrigals, novelty numbers and folk ballads. Last year this group performed for various activities and clubs. They also participated in the District Contest that was held in Bloomington where they were awarded a First Division rating. In the State Contest that was held in Terre Haute, they received a Second Division rating. They also sang a special number for the Choral Festival in the Indiana University Auditorium in Bloomington. This year the Madrigal participated in the All-State Chorus which was held during the State Teachers' Association meeting and took

part in the Choral Festival at Bedford. They performed for the Senior English class for which they sang a Shakespearian number, appeared on the Christmas program that was given by the Chorus, participated in the spring contest and concerts, and sang for several community functions.

The band, under the direction of Aden K. Long, is one of the important parts of the school's organization. It is composed of seventy members from the Senior and Junior High School. Organization has been on a military basis with Don Fishel, a senior, as top sergeant, and Eva Elliott, Wanda Ratts, Bob Shelburne, Amos Hewitt, George Granholt, Dee Cramer, and Jack St. John as sergeants.

The band plays at all home ball games, which gives a boost to our cheering section. The band performed with marching formations at the football games with Roseanne

Walters as drum majorette and Patsy Ayers, Pat Ennis, and Marilyn Schnaiter as twirling majorettes. However, the band is primarily a concert group, with instrumentation on the symphonic band type. Concerts are given for the public.

The band was asked to play for the State Convention of the Indiana Music Educators Association in Indianapolis in January. The concert was well received and the educators sent many congratulatory messages. In the spring of 1948 the band was given a first division rating in the District contest at Greencastle.

OUR CHORUSES WERE ALWAYS READY TO HELP WITH PROGRAMS

The Junior High Boys' Glee Club was organized by Mrs. Marian Rice in the fall of 1948. This group consists of twenty-four boys from the seventh and eighth grades. The purpose of the club is to promote and develop better singing among boys of junior high age.

Besides singing for their own enjoyment, the boys have sung on several auditorium programs and at various club meetings. The officers are: President, Sidney Williams; Vice-president, Birch Smith; Secretary-treasurer, J. K. Daily; Reporter, Dee Terrell; and Librarian, Max Smith.

The Mixed Chorus, directed by Aden K. Long, is composed of high school students interested in studying choral music for public performance. Officers for the year were: President, Amos Hewitt; Vice-president, Mickey Clarisey; Secretary-treasurer, Clara Van Sickle. Accompanists were Don Traub and Nita Meadows.

Projects for the year included a Christmas program and a Winter Review. In the spring the chorus attended the choral festival at Bedford. Also, in collaboration with the orchestra, a spring concert was presented for the public.

The Student Council was reorganized at MHS in the spring of 1945, because, according to the preamble of the Student Council constitution, students and faculty believed "that MHS needed an organization to encourage student government and good citizenship."

The purpose of the Student Council is to create more and better student-faculty relationships, and to give students practice in governing themselves. It aids in organizing school functions and by these means creates a greater feeling of loyalty among students. It can assume as many student responsibilities as it will and can perform a great service for the student body.

There are many opportunities for a Student Council to take an important role in the organization of a school. Some of its opportunities are helping to keep the school and its grounds attractive, the organization of noon-hour activities, and the awarding of medals on class day.

Again this year the Student Council conducted the election of class officers, election and training of yell-leaders, operated the coke machine, and took charge of concessions at senior high basketball games and distributed the profits among the different school organizations. In addition it prepared a school handbook, the Red-and-Blue, which gives much valuable information about our school. This handbook will be distributed to new students each year. The Council also bought and operated a new popcorn machine this year.

Members of the council have fine opportunities to advance leadership by leading the home rooms they represent in discussions on school problems and how they can be solved. The officers this year were: President, John Bob Hacker, senior; Vice-president, Jimmy Richards, sophomore; Secretary, Tom Schnaiter, senior; Treasurer, Jack St. John, junior. Serving as faculty sponsor was Mr. Kniesly.

THE GIRLS' EXECUTIVE COUNCIL AND STUDENT COUNCIL RULED THE ROOST

In 1940 the Girls' Executive Council was organized by Miss Myngle Dorsett. This council was to be the governing body of the Girls' League, which is an organization of all girls in Senior High School. Each of the three girls' clubs, Sunshine, Future Homemakers, and G.A.A., is represented on the Executive Council by its president and vice president, and the unorganized and freshman girls are also represented.

The council's projects this year included buying of a large clock for the girls' gym and the increasing of a previous fund for a piano to be given to the school. In co-operation with the principal and the Dean of Girls, Mrs. Helen Davis, the Executive Council devised a system for checking lockers. This was made necessary by the number of lost articles all over the school. Using the home nursing room as headquarters, one girl from the council checked

lockers each period of the day and at noon. The fines collected were used to repair locks and lockers.

On Friday, April 1, the council attended the Hi-Y district convention, which was held here, as guests of the M. H. S. Hi-Y. A pitch-in supper for the council and club sponsors ended the activities of the 1948-49 Executive Council.

Miss Marie Underwood sponsored both the League and Executive Council. Members of the council were: Jane Barnard, Pat Beaver, and Carolyn Godsey, officers of the Girls' League; Nancy Hyatt and Waneta Maxwell, Sunshine officers; Bette Denny and Ramona Creed, G.A.A. officers; Mary Lou Bales and Mary Jean Adams, from the Future Homemakers; Carol Gray representing the freshmen girls; and Phyllis Johnson, representing the unorganized girls.

SUNSHINE GIRLS SERVED WITH

The Sunshine Society is a club for sophomore, junior, and senior girls. Our new members were initiated in a beautiful candlelight service held at the home of Suzie Pitkin. It was followed by a tea to welcome the new girls.

Sunshine gave a basket of food and a box of clothing to a needy family at Christmas. Our money making projects were selling greeting cards, candles, and napkins, and concessions at ball games.

A tea for Sunshine mothers was held in February at the home of Nancy Hyatt. An important tradition in Sunshine Society is the custom of choosing Ideal Ladies. Each girl chooses someone she admires greatly to be her Ideal Lady. All year she corresponds and exchanges gifts with this lady through the Ideal Lady Committee. At the close of the year a tea is held and the Ideal Ladies discover the identity of their Sunshine Girls.

"LOVE IN THEIR HEARTS AND WITH CHARITY FOR ALL"

Informal initiation was held at the city park in September. After the picnic the initiates had to go through their antics on the public square.

Sunshine officers were, from left to right: Arlene Bowers, treasurer; Ina Beryl Percy, corresponding secretary; Mrs. Jarrett, sponsor; Wanda Lowder, recording secretary, Nancy Hyatt, president; Waneta Maxwell, vice-president.

It was pretty chilly at the informal initiation so everyone huddled close to the fireplace in the shelter house. We toasted wieners and marshmallows in the fire.

THE FUTURE HOMEMAKERS WORKED ON

Our formal initiation was held in the sewing lab, our clubroom.

Our informal initiation was quite different from the picture above. Initiates had to wear crazy outfits, smeared faces, and also had to go through an obstacle course.

The Martinsville Chapter of the Future Homemakers of America has been affiliated with the state and national organization since September, 1937. The purpose of the club is to encourage an appreciation of the joys and satisfactions of homemaking, to develop creative leadership in home and community life, to provide wholesome individual and group recreation, and further the interests in Home Economics.

The emblem of the club symbolizes the future homes in the hands of its youth, while the motto, "Toward New Horizons" expresses the aim of the organization—learning to live better today in order that our lives and those of our families may be better tomorrow. The distinguishing colors of the Future Homemakers are red and white, symbolic of youth and purity.

Eighteen new girls were initiated into the club in September by a very impressive

candlelight service, bringing the club membership up to 38. The girls receive recognition through their service to the club by a point system.

An annual Christmas tea is given each year honoring members of the faculty and all students in the Home Economics Department. Julia Butler, '50, arranged the centerpiece, mistletoe in a gilded gnarled tree branch, for the tea table. The club room was attractively decorated with pine branches tied with red ribbon and sprays of mistletoe, while a beautifully lighted Christmas tree was in the background.

The girls collect and distribute food, clothing, and toys to needy families during Christmas week. Participating in concessions at ball games and selling home made candy adds to the treasury fund. Entertaining the senior girls, and the Future

Farmers' parties are highlights of each year. This year for the first time fifteen girls have qualified for a Junior Home-maker degree and the chapter is striving to become an honor chapter.

THE G.A.A. KEPT FIT AS A FIDDLE

Miss Stalcup, sponsor; Helen Shields, treasurer; Bette Denney, president; Patsy Ayres, secretary; Ramona Creed, vice president

Under Miss Stalcup's sponsorship, the G. A. A. started its 1948-49 season. New members were required to earn 30 points before they were initiated into the club. There are awards for the points earned. These points are earned by participating in organized and unorganized activities during six-weeks periods. A member may earn ten points for organized sports and five points for each unorganized sport; not more than 25 points may be earned in six weeks unless the member passes a skills test. The organized activities this year have been speedball, tennis, archery, basketball, badminton, bowling, volleyball, and softball. Among the unorganized activities are hiking, ping pong, skating, and horseback. When a member earns 150 points she receives her class numerals; 250 points, a sweater and letter; and for 350 points, including a certain number of skills tests, she is awarded a plaque by the State G.A.A.

This fall the State G. A. A. Camp was

held at Pokagon State Park. Three girls from each school were sent. Those representing Martinsville were Beverly Byram, Arlene Bowers, and Ramona Creed. They were chosen according to the number of points they had.

This year's officers were: President, Bette Denney; Vice President, Ramona Creed; Secretary, Patsy Ayres; Treasurer, Helen Shields; and Reporter, Jan Horton. The G. A. A. entertained the Lettermen's Club with a party the first semester. Volleyball, basketball, and a show by the G. A. A. members were enjoyed by all. The Lettermen's Club gave the G. A. A. a wonderful dinner for their party for the second semester.

We played our annual basketball game Thursday, February 17, in the new gym between the Freshmen-Seniors and the Sophomores-Juniors. After an overtime was called, the Seniors won by a 24-22 score. The leading scorer was Barbara Miller, a sophomore, with eight points, followed by

BY THEIR BI-WEEKLY MEETINGS

Beverly Byram, a senior, with seven points. Virginia Vawter, a freshman, who scored the winning goal, and Ruth Cohen, each got six points. The referees were Marilyn Asher and Barbara Baker. This game was played for the benefit of the Artesian Herald and G. A. A. A dime was charged for admission.

For the Girls' League program, G. A. A. replayed the World Series. Ruth Cohen wrote and read the script. The club was divided into two groups representing the two teams in the series. Each of those groups was divided into sections so they could steal a base or do something on that line. During the program, a group of girls who had been to G. A. A. camp sang some of the G. A. A. songs.

HOW WELL WE ALL REMEMBER

"Tell me what you eat and I will tell you what you are." There is both truth and fallacy in this old proverb. Modern knowledge of nutrition has brought to light the importance of diet in the building of sound health. Children are being taught the "Balanced Way" to eat, in every year of their school life. For another year the High School Cafeteria has provided the food for balanced meals for teachers and students.

On the opening day of school, September 1, the cafeteria started its service to the faculty and student body. During the first semester 28,799 meals were served. This included help and janitors.

Miss Opal Gray operated the cash regis-

Members of the 1948-1949 class were Carolyn Edwards, Loretta Etichson, Helen Glover, Phyllis Jackson, Phyllis Long, Mary Mason, Ernestine Whitesell, Janie Lou Estes, and Patience Keever. Phyllis Jackson had charge of the candy counter during the second semester. Flossie Stroud assisted at the candy counter all during the year.

Extra activities of the Foods Department during the 1948-1949 school year were Morgan County Adult Home Economics Clubs luncheon in October, Department Club and High School Faculty luncheon on January 14, Sectional Tournament February 25, 26, District Future Homemakers luncheon on March 12, District Hi-Y luncheon April 1, State Secretaries banquet April 30 and College day luncheon on February 2.

The foods laboratory, dining room and kitchenette were all redecorated during the Christmas vacation. A new electric coffee maker was purchased for the cafeteria. A dressing table and mirror were added to the girls' dressing room.

The cafeteria is a self supporting unit of the school and it also supports the Home Economics department. The cafeteria has been in constant operation since its opening in the fall of 1923. The cafeteria has outgrown its present location. Plans for enlargement are under way.

Sixteen salespeople call in this department regularly. Buying alone requires much time. Vouchers are made for the payment of bills. Checks are written by Cleo McDaniel, who has charge of all activities funds of the school.

Myra Hochstetler is manager of the cafeteria and instructor in Junior and Senior high school foods classes.

CAFETERIA

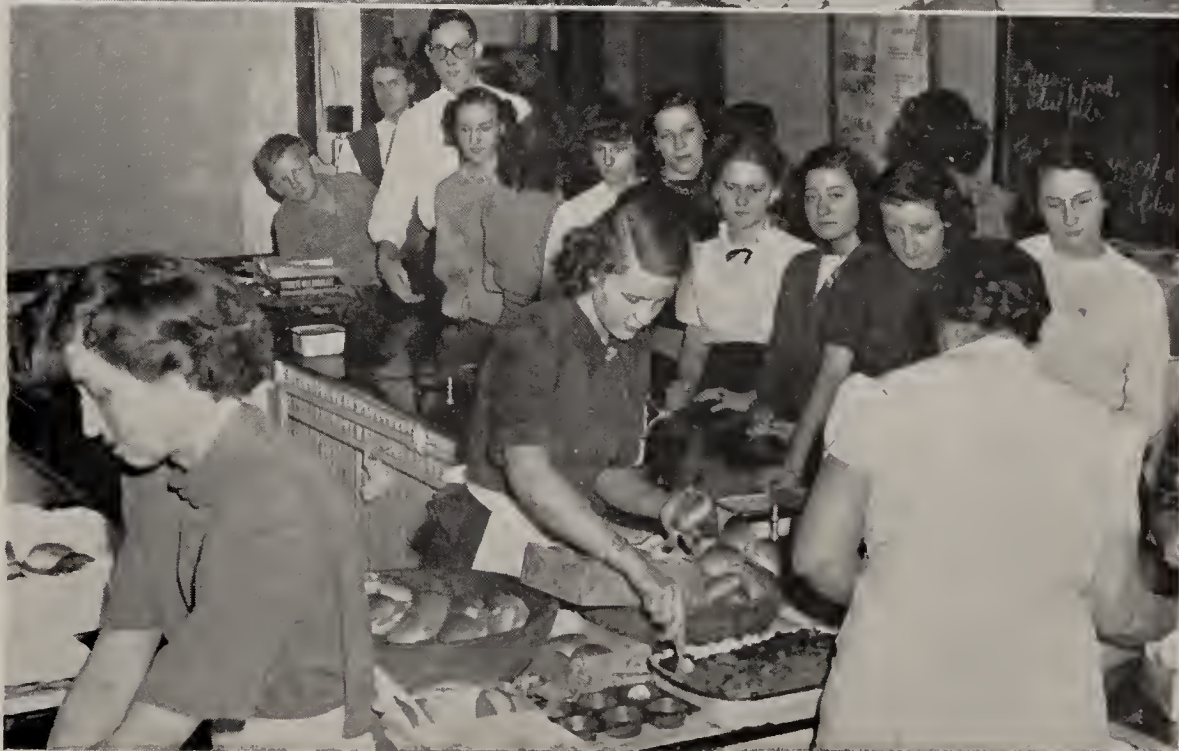

The rush was on at the steam table as students in the cafeteria class dished out food to hungry students and teachers.

Mrs. Stroud and Mrs. Skaggs were two of the people behind the cafeteria's tempting food. Here, we caught them taking up hamburgers and other delicacies for the noon meal.

The sandwich line was popular because you could get a good lunch quickly.

DRAMATICS CLUB LOVED THAT SMELL OF GREASE PAINT . . . AND

The Dramatics Club is an organization for both girls and boys of all classes. Entrance into the club is by tryouts and questionnaires.

One of the goals of every member of the Dramatics Club is to gain admittance to the Thespian Club. This club is a member of the National Thespian Society, an organization designed for the purpose of

improving the dramatics in the high schools. We have approximately twenty Thespian members in our club.

At Drama Night, two one-act plays and one two-act play were given. A full crew for each play was chosen by the student directors. In this way, all of the students gained experience in working in the theatre.

This is the second year for the Junior High Drama-Tic Club. It was organized to encourage speaking and acting abilities. Membership is limited to thirty and is open only to eighth grade students. There were thirteen boys and seventeen girls who became members this year. The first meeting was the election of officers. Those elected were: Dee Terrell, president; Keith Sichting, vice-president; Mary Jo Stout, secretary; and Marilynn McDaniel, treasurer.

Three one-act plays and two pantomimes were presented during the year. "Billy's Coming" was presented as a Junior High auditorium program in February. "The Case of the Easter Bonnet" was given to the seventh grade the last week of February. "Out of this World" was given the first week of March and proved to suit the students' wants as an hilarious play. The plays were student directed and produced. Miss Marshall was our sponsor.

The Club met every other Tuesday of the month to discuss various problems and to practice on plays. The Club planned a very interesting minstrel play that was given to the public. Several eighth grade students, not members of the club, gave special numbers between acts. By selling concessions at Junior High basketball games and by giving plays for the public, the club was able to buy a very nice make-up kit. The last day of school, all of the members enjoyed a picnic at the State Forestry.

HI-Y WORKED FOR THE TRADITIONAL "CLEAN SPEECH

In its 19th consecutive year, the Martinsville High School Hi-Y Club continued its impressive record. Fifteen new members were formally initiated into the club. These boys were all of good character and were from the sophomore, junior, and senior classes. All of these boys took the pledge to uphold our purpose: "To create, maintain, and extend throughout the school and community, high standards of Christian character," and our platform: "Clean speech, clean sports, clean scholarship, and clean living." Since 1935 the club has been affiliated with the State and National Y. M. C. A. This affiliation gives us the privilege of any Y. M. C. A. anywhere.

The social activities of the year included a ham dinner and the annual spring picnic. The service activities were the T. B. Seal benefit basketball game with the F.F.A. which we won (receipts approximately \$75), the annual purchase of a \$50 savings bond for the club's scholarship fund, the presentation of a trophy to the senior who had shown outstanding sportsmanship during the basketball season, and a gift to the school. Last year's gift, two clocks for the gymnasium, were mounted on triangular boards and equipped with lights.

Mr. Baker, Bob Callis, Mickey Clarisey, Amos Hewitt, Bailey Davis, and Zane Knoy attended the Fall District Hi-Y Conference held at Columbus High School in the first week of November. The theme of this conference was "Now is the Hour," which was broken down into three discussion groups.

The Martinsville group led an open forum on Hi-Y Problems in the evening session. An invitation was extended to hold the spring District X Conference in Martinsville.

Zane Knoy and Mr. Baker, who are president and adviser of District X, attended a joint meeting of the Hi-Y advisers and State Hi-Y Council on Saturday, January 22. At this meeting the date for the spring district conference was set for Friday, April 1. Also the theme of the conference was chosen, "It's Your Life." This subject was broken down for group discussion with sub-topics as follows: Choosing a Vocation, Responsibilities to Self, and Christian Callings. The Girls' Executive Council was invited to this conference in order to make visiting Tri-Hi-Y girls more at ease.

The Martinsville Chapter of Future Farmers is a part of the national organization which includes forty-seven of the forty-eight states and Hawaii and Puerto Rico, including 260,000 members. The Martinsville Chapter was organized in 1936 with thirteen charter members and Virgil Telfer as chapter adviser. During the period from 1936 until 1948 fourteen boys have received the State Farmer award. One boy was honored to receive the highest award given, The American Farmer Degree.

During the summer the chapter took a trip to Chicago. A year ago last summer, the members traveled to St. Louis, Missouri, for a three-day trip. They visited many interesting places. Two years ago the members went to Cincinnati where

they spent three days and visited many interesting places, among them Coney Island. The trip for this year has not been decided upon. We held six regular meetings this year. They were two summer meetings, parent talent night, girl friend party, and mother and son banquet.

The local chapter is divided into two teams with Richard Hinds and Bob Crone as captains. Points are allowed to each member for various chapter activities. At the end of the year the points are totaled and the losing team provides a pay-off supper for the winners.

The Martinsville chapter represented the Future Farmers of Indiana at the State Fair last fall. The boys taking part were Bob Kitchen, Bob Crone, Richard Hinds, and Lowell Burkhart. Robert Kitchen and Merrill Maxwell received the highest degree the state can bestow upon them, the Hoosier Farmer Degree; we have two more

candidates this year, Robert Crone and Lowell Burkhart.

Each year the chapter presents a program to the senior high students. This year the program committee staged a farm livestock and pet show. The publicity committee staged an educational and promotional program for the junior high on February 24. Another project was the F.F.A.-Hi-Y benefit basketball game for the T. B. Christmas seal drive.

The very success of an F.F.A. chapter depends on the scope of each member's supervised farm practice projects. The members are averaging over five projects on each of their farms. These projects are conducted on livestock, supervised for twelve months out of the year. Over half of the members have some ownership in their home projects and some have full ownership.

HOW WELL WE ALL REMEMBER

THE PRINT SHOP AND

Printing was originated about fifty years before the discovery of America. It began from a little known art and grew to one of the world's leading industries. The original idea of Gutenberg, a German, was to reproduct books and manuscripts. He imagined, in the invention of printing, the fine arts of the early authors could be reproduced at a low cost. In this way the knowledge and work of these men would cover the world. As you look around, evidence of the printing industry is all about you. Many people are dependent upon printing. It is their living. It is your knowledge and it is a guide to your actions.

lationship of shop work to general education.

The Print Shop is part of our Industrial Arts and Vocational Education program in Martinsville High School. It is open to sophomores, juniors, and seniors. Printing is one of the areas of the general shop program. The objectives of the shop program are to develop the mind, hand skill, appreciation for the working man, getting along with your fellow workers and a means of making a living after graduation.

The printshop offers to the students who are interested in the graphic arts a fine experience in job printing. The students have

Bill Neal, Jack Clay, Maurice Champlin, Ed Stierwalt, Bob Krise, Bill Kent, Arthur Ayers, Paul Edwards, Russell Asher, Harold Porter, Don Robinson, Bob Payne, Richard Burdsal, Ralph James, Kenneth Elmore.

As all of you are users of printing, you should have an interest in and understanding of the way printing is done.

The Industrial Arts and Vocational Education department is divided into several shops—Electricity, Woodworking, Drawing, Printing, Concrete and Machine Shop.

The general objectives are to teach the fundamentals of shopwork, to give an appreciation of the man who works with his hands, to teach co-ordination between hands and minds, to guide boys in the re-

experience in the methods of hand type setting, related information, particularly mathematics, paper cutting, and feeding and operating the press. The most interesting and challenging job in the print shop is to print a good Artesian Herald for you.

English and mathematics, as any print shop student can tell you, play an important role in their task, as each process must be mathematically and grammatically worked out or analyzed.

Legio Decima, the Latin Club of the Martinsville High School, received its name from Caesar's most famous legion in his wars against the Gauls. This club includes everyone in the Latin Department and has a membership of one hundred and ten. During the current school year they have sponsored two auditorium programs and arranged the very effective Christmas decorations for the high school.

For one of the auditorium programs early in the school year the club planned an elaborate pep program, "Football Warriors," for the football squad and the coaches. Much of the script for the skit and all of the songs used were composed by the department. The team and coaches were dressed as Indians and gathered on the stage in pow-wow around a campfire. They acted out the script in pantomime.

Chiefs Burch Horton and Vincent Bisesi starred in the production.

Christmas decorations are the annual project of the club but this year they were a little more outstanding than usual. The staunch evergreens which stood at either end of the stage and the footlight border of evergreen boughs were studded with blue lights accented with silver foil reflectors giving the effect of large diamonds in a rich green carpet. With the help of the Art and Shop departments, large figures of a shepherd with his crook and a lamb, and a wise man were constructed and beautifully painted. These, silhouetted against a background resembling a winter twilight, were beholding the Star of Bethlehem. This setting was used for a number of Christmas programs.

ELIGIBILITY FOR NATIONAL HONOR SOCIETY DID NOT COME FROM BRAINS ALONE

The Martinsville Chapter of the National Honor Society has maintained a yearly selection of honorary members since 1927. This organization is affiliated with a national setup which comprises nearly 3,000 such groups in many of the larger high schools of the United States.

Candidates to be eligible for election to membership must rank in the upper third of their class in scholarship. Not more than 15 per cent of any senior class may be elected to membership. A vote of the entire faculty determines the membership.

The following standards are considered by the teachers in making their selections:

Service

- a. Willingness to render any service to the school when called upon.
- b. Willingness to do committee or staff work.
- c. Readiness to show courtesy by assisting teachers, visitors, and students.
- d. Willingness to represent the school in inter-class or inter-school competition.
- e. Willingness to render service to the school, to the community.

Leadership

- a. Demonstrates leadership in the class-

room or home room.

- b. Demonstrates leadership in promoting school activities.

- c. Successfully holds school offices or positions of responsibility.

- d. Contributes ideas which improve the civic life of the school.

- e. Exerts type of leadership which directly influences others for good.

Character

- a. Meets individual pledges and responsibility promptly to school and teachers.

- b. Demonstrates highest standards of attitude toward honesty and reliability.

- c. Constantly demonstrates desirable qualities of personality (cheerfulness, friendliness, neatness, poise, stability).

- d. Co-operates by complying with school regulations.

- e. Upholds principles of morality and ethics.

The membership from the senior class of 1949 includes Robert Callis, Ruth Cohen, David Cravens, Moyne Jean Dunagan, Donald Fishel, Amos Hewitt, Nancy Hyatt, Sally Kivett, Zane Knoy, Barbara Martin, Suzanne Pitkin, Wanda Ratts, Helen Shields, Donald Traub, Roseanne Walters.

The Martinsville High School system has found it impossible to provide adult operators for all the projectors necessary to properly carry on the work of the Projected Teaching Aids or Visual Education Department. Faced with such a situation, we have found it desirable to train a small staff of student operators.

Mr. Thomas was selected a few years ago to serve as a director of Projected Teaching Aids, and is responsible for the proper use of all teaching aids and equipment in the school. The director must be familiar with the general field of Projected Teaching Aids and audio-visual materials and the proper use of the same. He keeps on file a brief bibliography of suitable books and magazine articles which, if read, will rather quickly familiarize any teacher with the general field of Projected Teaching Aids.

In the process of organizing a Student

Operators Club, two methods may be used in selecting students. One is to call for volunteers, and the other is to select a small group on the basis of scholastic standing and mechanical adaptability. We combine the two methods.

Careful instructions must be given to each member of the club, followed by sufficient practice periods devoted to the operation of the equipment so that each member understands the proper procedure of unpacking teaching aids, setting up and operating projectors, repacking of the material and equipment, shipping labels, darkening of rooms, and other duties of a similar nature. Each staff member must be imbued with the spirit that he is responsible for the smooth operation of projectors so that delays and interruptions are eliminated when the class is ready to use materials.

WE LAUGHED TILL WE SHOOK AT THE CARNIVAL AND BOTH CLASS PLAYS

Top: A crucial moment in "Good Night Ladies," junior class play.

Middle: Enthusiastic barkers were the life of the Fall Carnival (with maybe one exception).

Bottom: One of the many times Father had to be restrained in "A Date With Judy," last year's junior play.

THESE SERVICES HELPED TO MAKE THINGS RUN SMOOTHLY

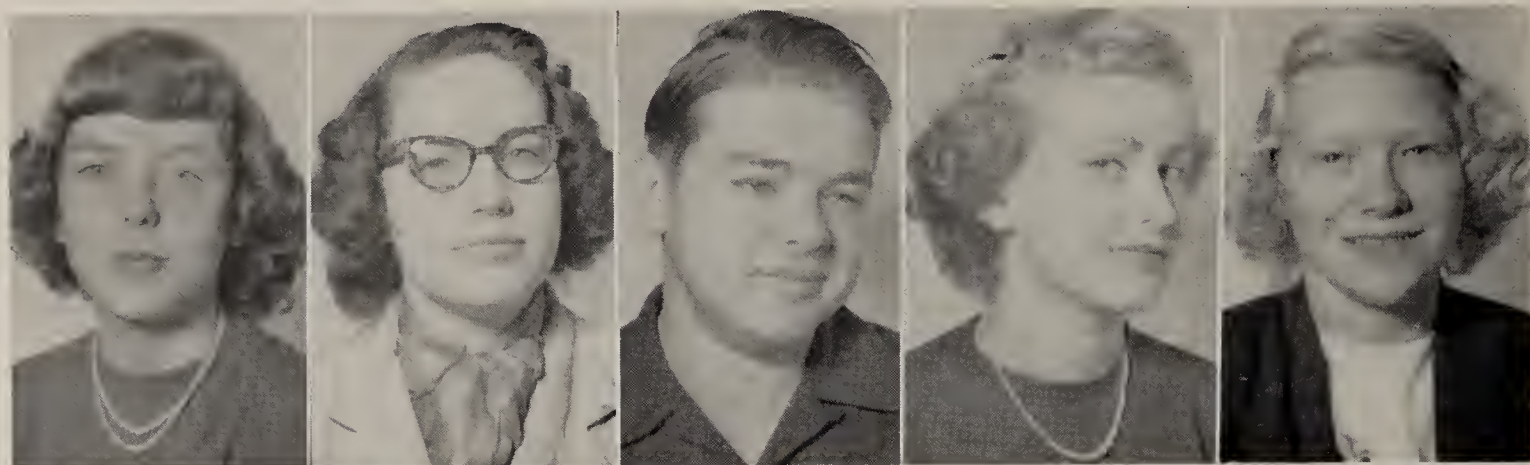

A temporary bookstore was set up in the old gym on the first day of school. The rush for books was so great that it couldn't be handled in the upstairs store. They sold everything but gum to chew in class. At the bottom of the page is a picture of the regular bookstore.

Our custodial staff kept the building's face clean all year. Members of the staff are from left to right: Mrs. Gregson, assistant custodian; Mr. Brown, gym custodian; Mr. Robinson, engineer; Mr. Moore, maintenance supervisor; Mr. Martin, head custodian.

THE ARTESIAN STAFF ALWAYS HAS THE LAST WORD

Top: Nancy Hyatt, Editor-in-chief; Moyne Dunagan, Copy Editor; John Adams, Photographer; Alice Rose Moore, Junior Editor; Barbara Byram, Business Manager.

Middle—Row 1: Beverly Byram, Alice Branch, Virginia Burns, Shirley Thomas, Mary Lou Flake, Minnie Ennis, Marilyn Asher. Row 2: Jan Horton, Ina Beryl Percy, Eva Elliott, Anita Bates, Joan Poppino, Mary Louise Bales, Sally Kivett.

Bottom—Row 1: Dorothy Champlin, Nancy Lou Dickens, Roseanne Walters, Jane Barnard, Bette Denny, Suzanne Hadley, Pat Magee, Helen Shields. Row 2: Pat Schoolcraft, Amos Hewitt, Bob Callis, Zane Knoy, Bill Robinson, Don Fishel, Mary Swinney.

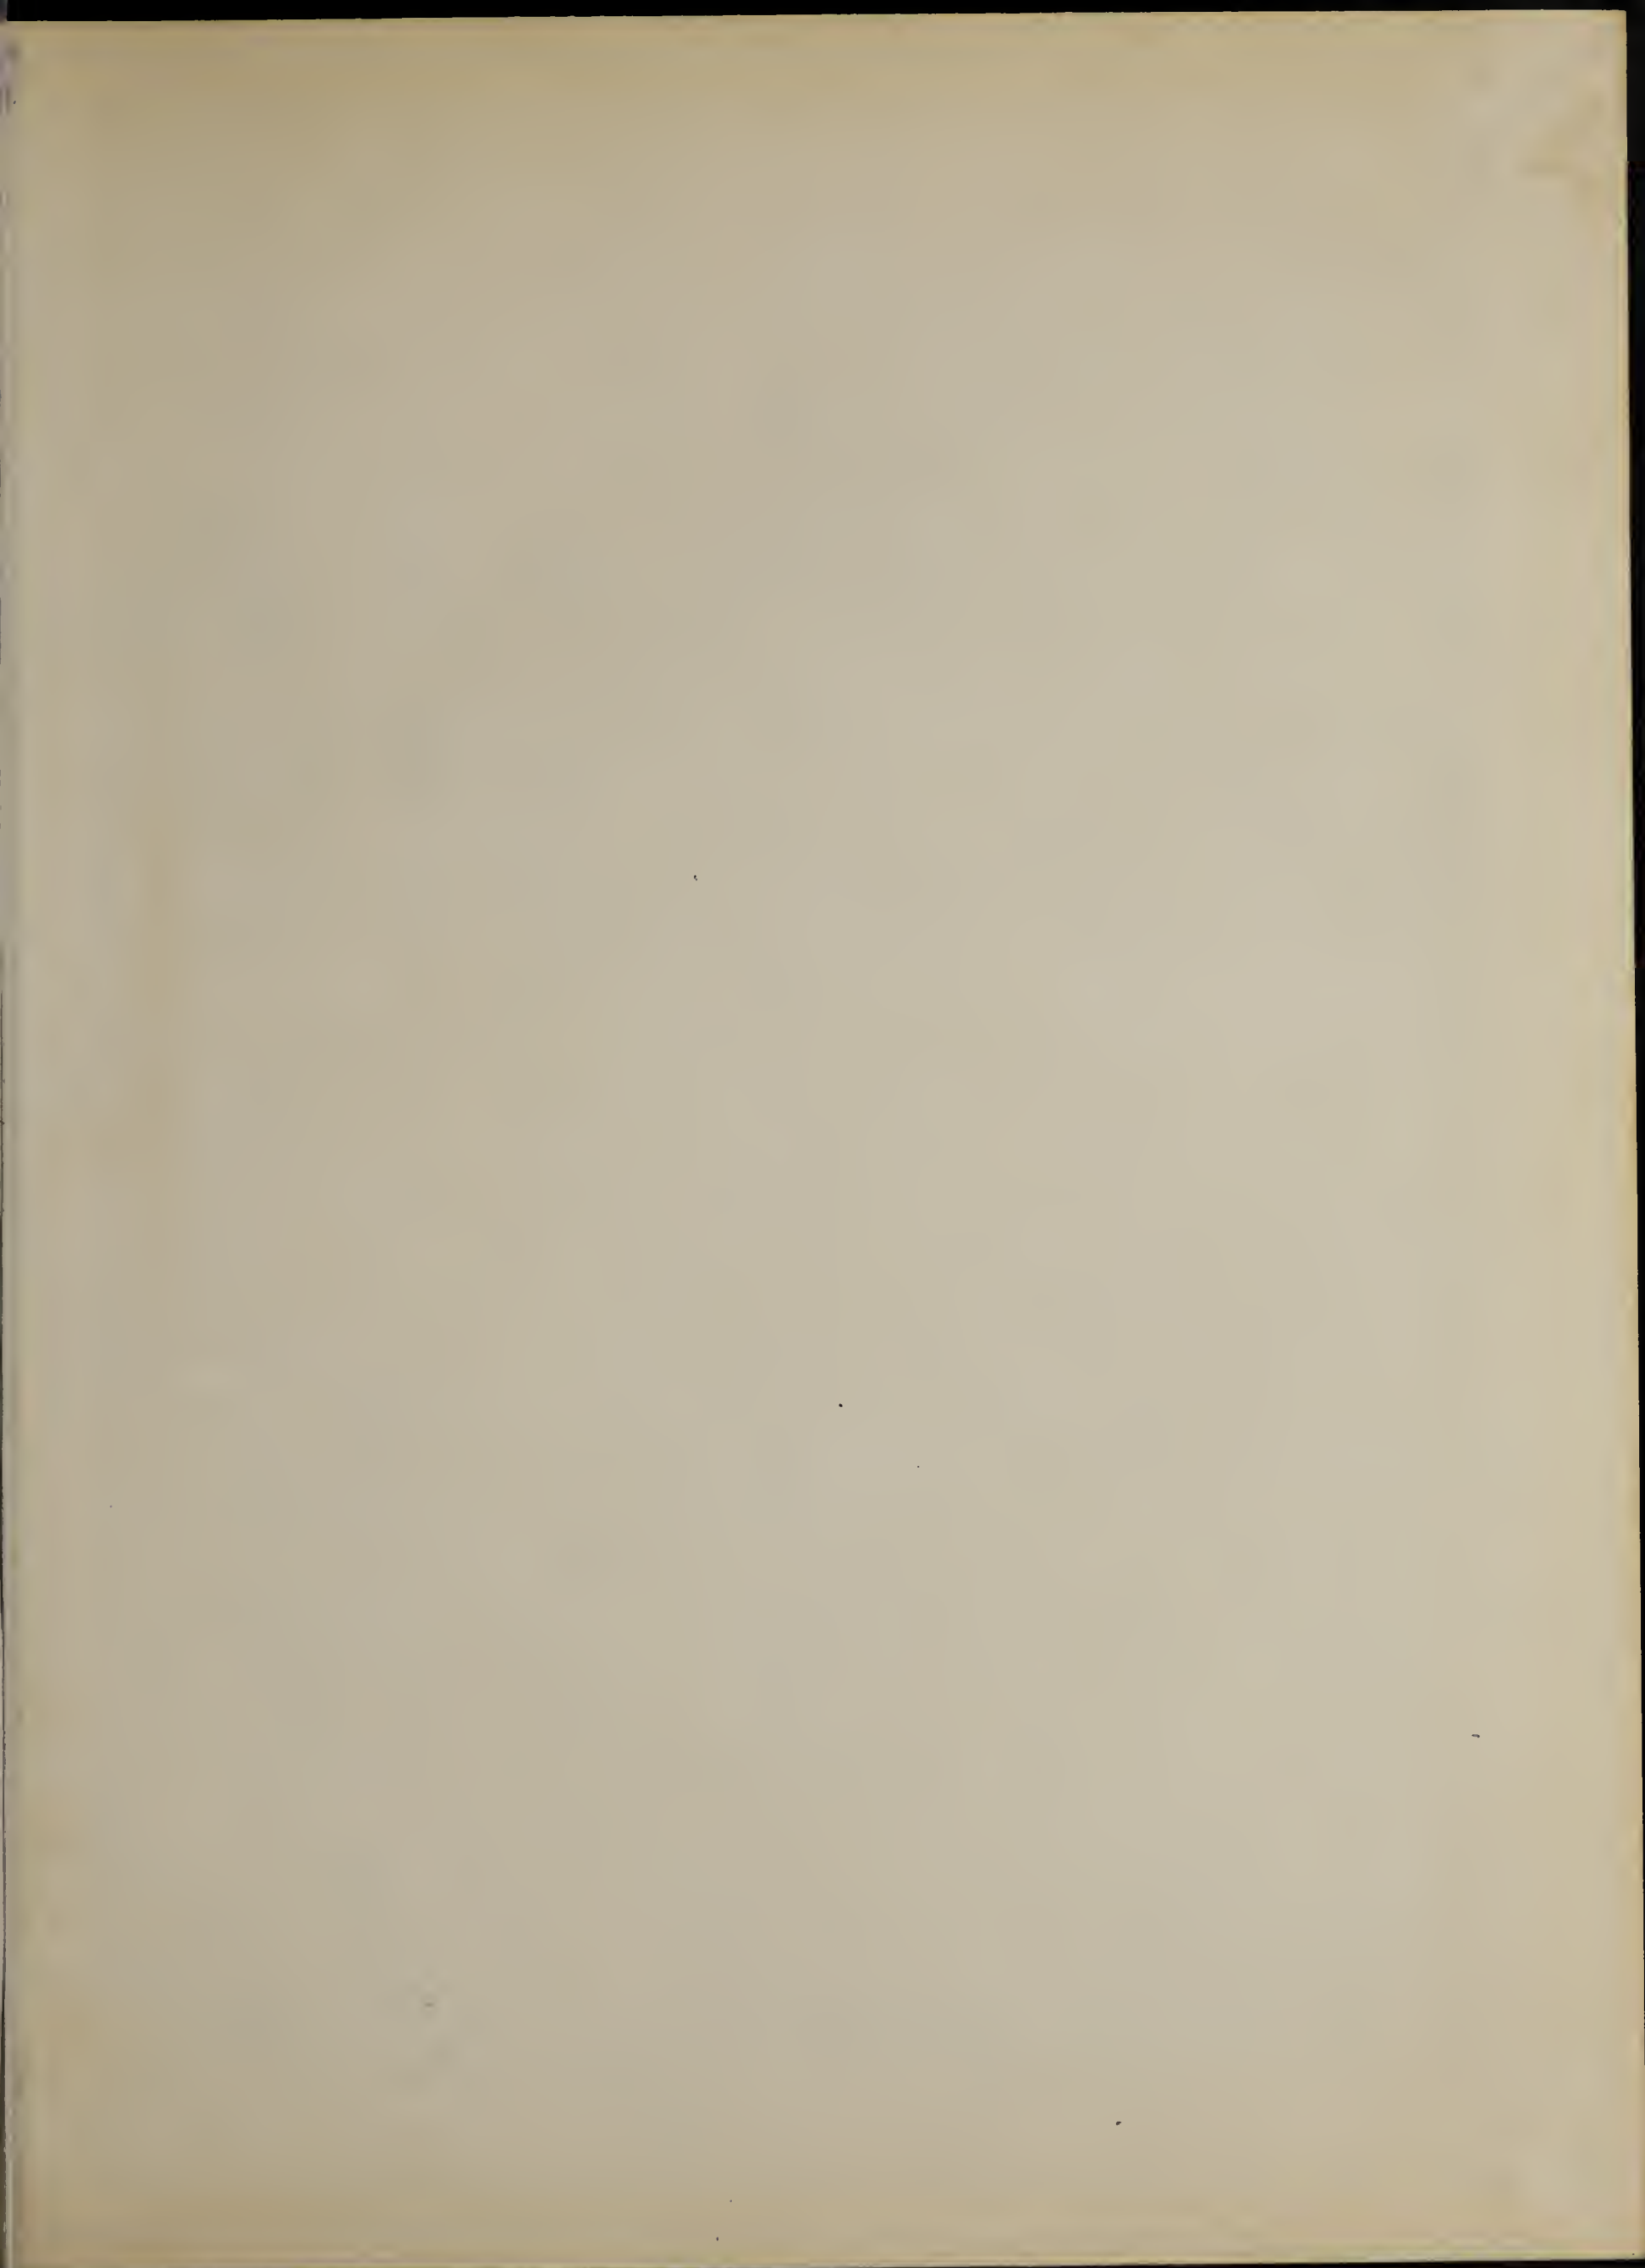

And so another Artesian comes to an end. The gang on the staff feel that we should be justly proud of our book. Nearly everyone in the senior class contributed something. Our aim was to make this book a lasting memory of M.H.S. It is not dedicated to any one person; it is dedicated to the hundreds of students who have graduated and the hundreds of others who will graduate—some day.

Our book would never have gone to press without the hard work and good advice of

Miss Rose and Mr. McGlasson, our advisers. The senior class will always be grateful to them.

We want to thank the Indianapolis Engraving Company, Campus Studios, Heckman Bindery, and the Rushville Republican for their interest and their fine work on our book.

For our successors on next year's staff we can only cross our fingers and mutter, "Good luck, you'll need it!"
